

# We Are...ALTERNATIVE LANGUAGE SERVICES

**Educating** all students to inspire **learning** through **equity** of **opportunity** and **achievement**.

We **value** students' multilingualism & diverse cultures as assets to their education.

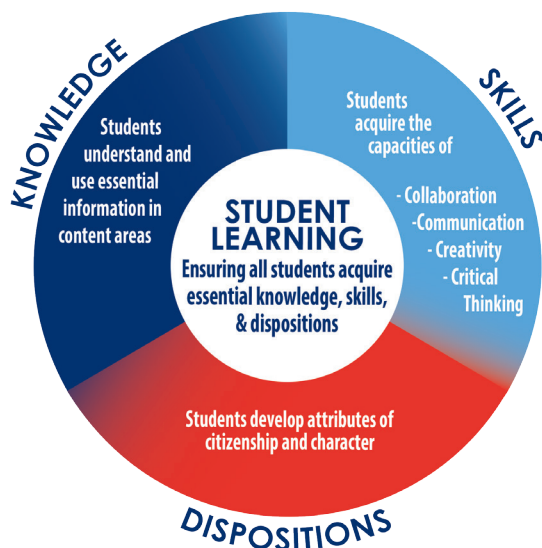

We **cultivate** a learning environment that is welcoming & respectful to students & families from diverse backgrounds through caring relationships.

We **believe** in holding high expectations for all students by implementing evidence-based instructional practices.

We **engage** in reflective dialogue to improve achievement for students learning English as a new language.
